JOSCO Educational Consultancy®

Josco Educational Consultancy is the pioneer in professional education since 1995. It was established with an objective of facilitating excellent educational options for the students. With quality credentials, our trustworthy service guides students to reach the best possible academic heights.

With A decade of excellent experience, Josco Educational Consultancy helps students to find admissions in the top colleges in the country. Today, we represent various institutes, colleges and universities from Mangalore, Bangalore, Karnataka, Tamilnadu, Kerala etc.

We feel very happy in seeing our students realizing their dreams. We are delighted to be a part of their future.

Our Vision

To create high quality academicians and professionals through value education and training that has global focus enriched by extensive interactions.

Our Mission

Our mission is to be the best centre of excellence in educational consultancy for all the professional courses to suit the ever changing needs of the society.

Objectives

- To facilitate students to know the learning opportunities of quality and relevance which help all to attain their educational and professional objectives.*
- To engage in activities including student counseling, consultancies and research to enhance the attainment of the educational objectives and to respond to professional and community needs.*
- To provide equal opportunities for all people whatever their gender, ethnic origin or special needs for the overall development of the nation.*
